

Assignment 2: RD Introduction

Complete the Introduction portion of the Requirements Document (RD) and the Work Breakdown Structure (WBS).

Include the title page and table of contents.

✓ **Table of Contents**

✓ Request of Proposal – letter from the client

✓ **Introduction**

- Purpose of Document – requirement gathering, source of requirements
- Major Problems and Project Goal
- Proposed System Overview and/or Configuration Chart
- Definitions, Acronyms, and Abbreviations
- References
- Overview of Rest of RD

...

✓ **Appendix**

- Work Breakdown Structure (WBS)

✓ The Request of Proposal letter is my initial assignment of the project.

✓ The WBS must be presented as a diagram with a numbering structure for each submodule identified.

✓ Submit to the group Dropbox for Assignment 2 – RD Intro, one submission per group.
